### 5) Expiration

This authorization will expire on: \_\_\_\_\_

If this space is left blank, then this authorization will expire only upon the undersigned individual's written revocation of this authorization. If the patient is a minor, release is valid only until the patient's 18<sup>th</sup> birthday (Not applicable for patients with a Durable Power of Attorney).

### 6) Signature

When my protected health information is used or disclosed pursuant to this authorization, I understand it may be subject to re-disclosure by the recipient and may no longer be protected by the federal HIPAA Privacy Rule. I understand I may revoke this authorization in writing at any time, except to the extent that the covered entity has previously used or disclosed information in reliance of this authorization, and except to the extent the authorization can be used by an insurer if it was obtained as a condition of obtaining insurance coverage. The covered entity may not condition treatment, payment, enrollment or eligibility for benefits upon the undersigned individual signing a release, except when it is required for research-related treatment, required for health care that is solely for the purpose of creating protected health information for disclosure to a third party, or where a health plan conditions enrollment in the health plan or eligibility for benefits on provision of an authorization.

I hereby acknowledge my authorization to release the above referenced patient health information as directed by my instructions.
