Disclosure of Financial Interest

Missouri state law, 334.100(22), RSMo, requires a physician to notify the patient or guardian that the physician has a pecuniary (financial) interest in the physical therapy facility in which prescribed treatment is provided, and that physical therapy or rehabilitation services are available to the patient on a competitive basis from other facilities.

You can find a listing of JCMG physicians who have a financial interest in JCMG Physical Therapy at: JCMG.org/shareholders

Furthermore, you have the right to choose any other physical therapy or rehabilitation services which may be more convenient or competitive.
